

## Rick Farlow

Rick has over 25 years of experience with technical oversight and guidance on physician, hospital and general liability claims. Prior to joining BerkleyMed, he was a Claims Specialist with a large reinsurance company where he was responsible for hospital professional liability and longterm care catastrophic claims. Rick also served as a Center of Excellence for long-term care cases throughout the United States and has played a key role in establishing best practices for a medical liability claim handling division.

## Bob Harrold

Bob has over 29 years experience with technical oversight and resolution of high exposure claims throughout the United States. He has led field operations on the West Coast and Northeast regions and has been a Claims Manager for the Northeast, Midwest, and West regions at BerkleyMed for the past 7 years. Prior to joining BerkleyMed, Bob developed expertise in physician, hospital, general liability, auto, environmental, and nursing home litigation with a large, national insurance carrier. He has developed industry best practice claims handling protocols and has been responsible for negotiations of complex litigation nationally.
